

Grade 1 Year At A Glance

Life Preparatory School is passionate about equipping our students with the skills needed to read, write, and to apply God's word into our everyday life. We have a curriculum that builds a core foundation in reading, vocabulary, word work, writing, and grammar.

BIBLE

Learning about God, his love, faithfulness, and miracles is fun and easy with our Bible Curriculum. Children learn how to apply God's word to their lives. They memorize scripture verses, and learn about stories in the Bible that will stick with them for as long as they can remember.

LANGUAGE ARTS

Under this category students learn Phonics, Reading, and Writing. With the Phonics Curriculum we teach your children to blend words, rhyming words, syllables, and much more. They will read multiple books on their own, in small group settings, and with the class. Students will perfect writing in print. They will write sentences and paragraphs on their own. They will learn spelling words with a new list each week. Your 1st Grader will study Poetry and literary devices. Your student will learn to identify parts of a book such as the title page, the table of contents and the glossary. Your student will perfect print and cursive writing. Your child will learn over 160 phonograms to unlock their full reading potential.

MATH

We make learning math fun for all students! Students learn to solve story problems, algebraic equations, determine the greater and lesser value, learn to measure and compare measurements in inches, centimeters, feet, and yards, they will practice skip counting to lay a firm foundation for multiplication and division, and much more.

SCIENCE & SOCIAL STUDIES

We take students on a trip around the world learning about different Countries. They learn about Community helpers with poster visuals and activities that keep them engaged. Your student will learn the 50 US states and study early Presidents and their impact on our nation.

ART, MUSIC, PE

Above are all extra curricular courses that each student will be involved in throughout the week.

HIGHLIGHTS

Students learn many skills including how to read mature books, memorizing Bible verses, how to spell,, making friends, problem solving, learning to add and subtract double digits, and use a calendar correctly. Fun events are planned throughout the year such as, Grandparents Day, Johnny Appleseed Day, Dr. Seuss's birthday, Book Fair, & 100th day of school. Each of these days is special with dressing up, games, and activities. Outside play time is very important for the students to release energy and get a change of scenery. Each class gets two 15 minute breaks outside per day. We have a wonderful playground that the kids love to play on.
