

Grade 5 Year At A Glance

Life Preparatory School is passionate about equipping our students with the skills needed to read, write, and to apply God's word into our everyday life. We have a curriculum that builds a core foundation in reading, vocabulary, word work, writing, and grammar.

BIBLE

Learning about God, his love, faithfulness, and miracles is fun and easy with our Bible Curriculum. Children learn how to apply God's word to their life while gaining a better understanding of the scriptures they read. They memorize scripture verses and learn about stories in the Bible that will stick with them for as long as they can remember.

LANGUAGE ARTS

Recognizing complements, identifying adverb and adjective phrases, preparing topical and sentence outlines, diagramming, and perfecting capitalization and punctuation rules are just a few of the concepts that will propel your child into proper writing. Daily language exercises, creative writing suggestions and a handbook of rules and definitions give your child the practice and tools to enhance their understanding and use of the English Language.

MATH

We will challenge our students with more advanced word problems, pre-algebra concepts, and basic geometry. We use estimating and rounding in our work.

SCIENCE & SOCIAL STUDIES

In these subjects, students will learn about historical documents such as The American Creed, First Amendment, and many more. They will learn about the beautiful countries of Asia, Africa, Europe, and Australia. Students will learn about mammals, force of motion, our solar system and constellations, and so much more with fun activities included in each lesson.

TECHNOLOGY, ART, MUSIC, PE

Above are all extra curricular courses that each student will be involved in throughout the week.

HIGHLIGHTS

Students learn many skills including how to read mature books, memorizing Bible verses, problem solving, and perfecting cursive writing. Fun events are planned throughout the year such as, Grandparents Day, Johnny Appleseed Day, Dr. Suess's birthday, Book Fair, & 100th day of school. Each of those days is special with dressing up, games, and activities. Outside play time is very important for the students to release energy and get a change of scenery. Each class gets two 15 minute breaks outside per day. We have a wonderful playground that the kids love to play on.
