

## Kindergarten K3 & K4 Year At A Glance

---

Life Preparatory School is passionate about equipping our students with the skills needed to read, write, and to apply God's word into our everyday life. We have a curriculum that builds a core foundation in reading, vocabulary, word work, writing, and grammar.

---

### **BIBLE**

Learning about God, his love, faithfulness, and miracles is fun and easy with our Bible Curriculum. Children learn how to apply God's word to their lives. They memorize scripture verses, and learn about stories in the Bible that will stick with them for as long as they can remember.

### **PHONICS**

With the Phonics Curriculum we teach your children the Alphabet, Recognizing each letter, the sound they make, and practice writing them out. They will learn to recognize their first name. We have story time every day where students will hear different stories.

### **MATH**

We make learning math fun for all students! They will learn how to count, Recognition of numbers, and practice writing each one. They will learn shapes, and have hands-on activities to help them engage with each lesson.

### **ART, MUSIC, SPANISH, PE**

Above are all extra curricular courses that each student will be involved in throughout the week.

### **HIGHLIGHTS**

Students learn many skills including how to hold a pencil/crayon correctly, how to trace, how to count, listening skills, how to play with others, how to hold conversations, and how to share.

Fun events are planned throughout the year such as, Grandparents Day, Johnny Appleseed Day, Dr. Seuss's birthday, Book Fair, & 100th day of school. Each of these days is special with dressing up, games, and activities. Outside play time is very important for the students to release energy and get a change of

scenery. Each class gets two 15 minute breaks outside per day. We have a wonderful playground that the kids love to play on. Snacks and nap time are also a part of our daily routine. We sing, dance, and love to play!
